- Hurry up and secure donations from financial service providers through CSR initiatives. These can fund financial literacy campaigns, achieving win-win outcomes while enhancing service quality, brand reputation, and trust for the financial providers.
- I hope more events can be held to connect with older tongzhi.
- I suggest organizing promotional seminars to convey positive messages or leading groups to do charitable activities that contribute to society. This would enhance the public image of tongzhi as healthy members of society. Alternatively, consider creating a YouTube channel to invite people from different fields for regular interviews and programs.
- It would be great to include hiking and more active events.
- More collaborations with other gay organizations.
- More outdoor activities to make older tongzhi active.
- Next time, it would be better to include more games.
- None.
- Organize more outdoor activities.
- Services for lesbian women should be assisted by female staff.
- Thank you for serving older tongzhi!
- The evening event celebrating 10 years together was wonderful and meaningful. The four-hour program was engaging with no dull moments, providing both information and entertainment. Thank you for your efforts.
- Try organizing an "Tongzhi Travel Group" for trips abroad because many older tongzhi is still single and have to pay additional single-room fees when joining regular tours.
